**Tuesday Nov. 10th – Citizens Council of Hamilton Township Request for Support**

**1 pm - 8285 Majestic Hills Drive, Cobourg**

On Tuesday November 10th at 1:00 PM at the Hamilton Township Council Chambers (8285 Majestic Hills Drive, Cobourg) we are taking a delegation to the Committee of the Whole to request that Council put all open meetings of Council on the internet. We need to have as many ratepayers as possible to be at that meeting. This will ensure Council sees, as well as hears how important this accessibility request is to the residents of our township. All you have to do is come and sit/stand in support. We should be done by 1:30 pm. Please come out and help us get this request put into action.

*Supporters welcome*
