

One of our CTA directors, Ken Strauss, will be on Week in Review with John Hill this coming Friday at noon on 89.7 Truly Local Radio. You can also listen to it over the internet at [89.7 FM](#).

He will be discussing CIVIC, a proposed \$10M Economic Development project that affects all citizens and taxpayers.

If you can't hear it in real time, it will be available on the CTA web site 24 hours after the show.

Don't miss the discussion about this important issue.
