Making Local Government Accountable

We thought you might like to know about a couple of town meetings next week. Council is looking for citizen feedback. Both meetings are on Wednesday October 12.

The Town budget meeting is at 2:30 pm at Victoria Hall (a couple of CTA directors will be making submissions).

The Parks and Recreation Strategy is at 7:00 pm at the Cobourg Community Centre. The goal of this project is to have a long-term strategy to be used as a guide in developing recreational programs to enhance the diversity of opportunities afforded to residents and visitors of the Town of Cobourg.
