

Cobourg Taxpayers Association

Making Local Government Accountable

Many of us love Cobourg due to our jewel of a waterfront. Community engagement with the town and the consultants is ongoing on this important issue. Now is the time for you to have a say.

The Cobourg Taxpayers Association (CTA) had our say on May 3, 2017.

The CTA met with the Waterfront Consultants, *thinc design*, to provide input on some key points with regards to the waterfront. You can read the report or listen to the meeting by going to our web site.

The next meeting is tomorrow. We hope to see you there.
