Making Local Government Accountable

Now that we have your attention.

We would like to make you aware of the County's Budget Open House. CTA Directors and other Northumberland Ratepayer groups attended last year and thought it was great. The County's budget is 5 times that of Cobourg's. County Staff are open, transparent and friendly. It is an interesting and informative evening with lots of opportunities to ask questions, make suggestions and join in the lively discussions.

See you there!

Regards
Lydia Smith
