*Making Local Government Accountable*

## **Working to Make Things Better**

Although the Cobourg Taxpayers Association (CTA) has been less visible for the last few months, we have been working quietly in the background, mostly helping citizens address issues that are important to them.

There will always be issues to address and with our limited resources, there is only so much that can be done. We believe more citizens need to take an active role in the local issues that affect them.

The power to drive the change necessary is present in our communities and the people within those communities to pursue the interests they are passionate about and taking a stand to make a difference in our Town.

We will continue to offer our assistance in identifying the means and resources for addressing matters that are important to residents. You can contact us at [cta@cobourgtaxpayers.ca](mailto:cta@cobourgtaxpayers.ca). We will provide whatever assistance or resources we can to help. In the meantime, we will continue to address the most significant issues, as we are able to.

Next year, we will strive to keep you updated with information and resources on current topics and how to make a difference in our communities.

We are thankful that we still live in this wonderful Town and that this new Council is more open and engaging with the public than the previous Council. Our Council is listening and we encourage you to make a difference on issues that interest you

On behalf of all the CTA directors, we thank you for your support and wish everyone the best for the holidays and in the upcoming year!

Dennis Nabieszko  
President, Cobourg Taxpayers Association
