Petition to Keep the Beach Closed

We are blessed and lucky in Cobourg to not have experienced what much of the rest of the world is experiencing. All of you have been very careful and diligent.

We expect the same of our leaders. They must continue to make prudent decisions to protect all citizens of Cobourg but, especially our seniors who are most vulnerable.

One of those decisions must be to continue to keep facilities like our beach closed. Now is not the time to increase the risk significantly by inviting people from outside our community to visit Cobourg's beach.

We ask our Councillors to think ahead. How will they look back in hindsight if they open the beach now and we have an outbreak in Cobourg? Previous warning signs were ignored and decisions were delayed in closing facilities. Let us learn from that experience and delay the opening of the beach. Although we cannot reduce the risk completely for our citizens, we can keep that risk significantly lower by keeping Cobourg's beach closed.

We are asking for your support to sign a petition asking Council to vote to keep the beach closed. We will present the petition to Council for the June 1 Council meeting.

Please go to the link below and sign the petition now to keep the beach closed.
