

Do you want the marina to expand into the west harbour?

On June 22, 2015, Council considered the controversial question of marina expansion and unanimously rejected any expansion. At the time Councillor Brian Darling stated, "We've flogged the horse and it is dead". Now Town staff and some Councillors are again aggressively promoting expansion.

Should the Town buy a very large, unprofitable, boat lift machine at an estimated cost of more than \$800,000?

Boaters currently rent a crane to lift a small number of boats in/out of the water during Spring and Fall.
