“ I support Adam Bureau, and one reason is that I know he is motivated to run for council because of his love of Cobourg and a drive to make it the best it can be, not just to add a new title to his resume. As a resident of downtown I have been impressed with the fantastic advances I have seen under his leadership of the DBIA. Adam has invested a huge amount of his time, energy, and resources throughout the community to ensure that ALL it's citizens share in the benefits of our “feel good town. ”

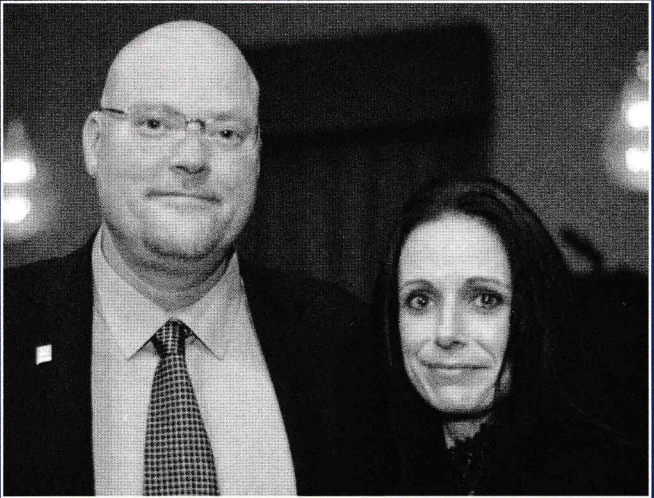

- Kim Lauder

“ Dynamic, intelligent, hard working, honest and professional. Just a few words to describe Adam Bureau, who is a candidate for Cobourg Council. Adam has proven these skills as a successful business man and as head of the DBIA. He has a true love for our community and his generosity and willingness to help our non profit organizations is nothing more than exemplary. I believe Adam will bring a fresh new approach to our Council leading the way with honesty and integrity driven by his true love of Cobourg. ”
