VOTE 2018

johnnyrealestate@bell.net

IT'S YOUR RIGHT, GET OUT AND VOTE!

I will be asking for your support on Election day to be your voice in council and represent you. I am against expansion of the Marina into the west harbour first and foremost because the local residents have repeatedly said they don't want it. I am in favour of reducing the amount of tax payers dollars spent for consultants.

IT'S TIME FOR REAL CHANGE AND THIS IS YOUR TIME

Thank you for your support!
