

Miriam Mutton will continue to work for:

Accessibility

Clear communication between Council and Citizens involves opportunities for respectful and responsive dialogue.

Advocacy

Asking the difficult questions leads to requiring answers. Measuring the success of Council policies demands careful analysis. This transparency leads to overall accountability.

Accountability

Council must explore options and debate them in public before making a decision, have a mechanism to assess results and accept responsibility for answering to Citizens.

Miriam the person

Raised in Cobourg, I have family here and I live in the George Street Heritage District of Cobourg. A Cobourg business woman, landscape architect and community advocate for more than 32 years, my passion for learning is a life-long commitment.

Community involvement is important to me. I am deeply involved in this community's quality of life and am recipient of volunteer service awards from the Town of Cobourg and Province of Ontario. I have held leadership roles and mentored youth.

I have experience in local government as Cobourg Councillor, Coordinator of Public Works (2010-2014) and Planning and Development (2006-2010).

Miriam supports important community issues:

Clear direction from Town Council to Town Administration, transparent dialogue between Council & Citizens

- Public Q&A at Council
- Invite ideas via community forums
- Establish clear Council direction on policy & priorities
- Mechanisms to assess Council policy effectiveness budget efficiencies and results
- Solutions that stimulate action

A diverse economy and a thriving community

- Safe streets for all
- Attainable/affordable housing
- An inviting and vibrant downtown
- Equitable access to Town amenities and services
- Balanced Town growth to serve people of all ages
- Employment opportunities, including small and local business retention and expansion
- Cooperation with Northumberland County, other levels of government

A healthy environment

- Innovative infrastructure to adapt to climate change and to foster community resilience
- Well-designed neighbourhoods and environmentally responsible practices, including less waste
- Clean land, water, air - for our children and our future

Preserving Cobourg's valuable assets for all Citizens

- Protect our natural and built heritage
- Celebrate local arts, culture and innovation
- Preserve our parks, our exceptional public waterfront
- Continue public ownership of water & energy services
- Protect our local autonomy, including hospital services and community based policing

You will know where I stand. You can count on being heard. Tell me what is important.

What people say about Miriam Mutton ...

"Miriam will be an outstanding member of the Council: she researches the issues at hand; she asks probing questions to ensure she serves the public well. Her experience and work ethic will contribute to a successful Council."

Eva Nichols, Cobourg resident (August 2022)

"I've worked with Miriam on community initiatives and have always been impressed with her attention to detail and professionalism. She asks well-researched and pertinent questions on a variety of issues - Cobourg will be well-served with Miriam on Council."

Frank Godfrey, Cobourg resident (August 2022)

"Mutton quickly gained a reputation for looking out for taxpayers, asking the necessary questions to ensure that the shareholders of the Corporation of the Town of Cobourg were well served by their board of directors."
