COBOURG DEPUTY MAYOR

Proven Experience You Can TRUST!

Suzanne's Vision for 2022-2026

“Let's work together to create a town that has a sustainable future.

My 13 years of experience in municipal government, including four years as your Deputy Mayor in Cobourg, has given me the skills and knowledge required to lead Council's municipal governance and finance procedures. Producing a fair, responsible budget that reflects our core values, while keeping our taxes and debt under control, is my top priority for this next term of Council.

The pandemic has been tough on all of us, but the time has come for a new approach for Cobourg's strategic plan, so Council **gets more done in less time**. We welcome new fresh ideas from our seniors, youth, families, and business owners. Initiatives will also include: innovative marketing for Cobourg, finding ways to save energy in our buildings and town vehicles, and taking another look at transit, parking and fees for services.”

Key areas of focus

- Responsible Budgets and Spending
- Citizen Involvement and Improved Service
- Balanced and Sustainable Development
- Progressive, Sound Strategic Planning
- Maintaining Cobourg Assets
